

## Hong Kong Baptist University 2025 JUPAS Admissions Scores

The information contained here is based on the subject results achieved by the applicants at the

- study programme's mean of summation scores of best 5 HKDSE subjects scores (category A, B and C subjects) with subject weighting obtained by applicants admitted to respective study programmes in JUPAS Main Round (3 points for ENGL and CHIN will be added if the applicant uses alternative Chinese and/or English results other than HKDSE to fulfill the entrance requirements);
- median position (in the middle); and
- lower quartile position (3/4 way down)

of the JUPAS Main Round offer ranking list of each programme.

As not all programmes select students on the basis of HKDSE results alone and the actual results of the students admitted to each programme may vary from year to year (depending on the overall results achieved by applicants in a particular year, the number of applicants applying to the programme, changes in selection criteria such as interview performance, band choice, non-academic performances, etc.), information in this section is for reference only, and should not be used to predict the chance of admission to any programme in subsequent years.

*\*Remarks on score formula: The score formula for each programme below applies to 2025 entry only.
