

**Lingnan University**  
**2025 JUPAS Admissions Scores (Main Round)**
**NOTES:**

1. The **(Weighted) Admission Scores** calculated below are based on **ANY Best Five Subject** mechanism.
2. Students admitted via JUPAS Sub-systems/Schemes and Entrance Scholarship for Elite Athletes are excluded.
3. The HKDSE level attainments are converted to the level points as follows:  
 Category A Core/Elective Subjects: 5\*\* =7; 5\* =6; 5 =5; 4 =4; 3 =3; 2 =2; 1 =1  
 Category C: Japanese (N1=7; N2=5; N3=4); Korean (Level 6=7; Level 5=6; Level 4=5; Level 3=4);  
 Spanish/French/German (C1/C2=7; B2=6; B1=5; A2=4)
4. The subject scores are based on the subject results achieved by the applicants at the median and lower quartile position.
5. Evaluation of applicants is based on academic and non-academic performance, interviews, and other relevant factors.
6. Admission scores are not comparable between programmes or admission years because of the different weightings adopted.
7. The information below is for reference only and should not be used to predict the chance of admission in subsequent years.

**!** The median and lower quartile scores for individual subjects (Chinese, English, Math, Elective1 and Elective 2) **SHOULD NOT** be summed up and taken as achieved by a single candidate. Each median and lower quartile score is **calculated separately by subject**.
